

# JOIN THE GMU SHORT COURSE IN BASIC ARABIC FOR HEALTH PROFESSIONALS

If you are a health professional serving the local community you need to know the language of the people. What you say may give them confidence, hope, help them understand instructions better, remove their anxiety and speed up their recovery from illness.

The Center for Continuing Education and Community Outreach (CCE&CO) of the Gulf Medical University (GMU) offers you an opportunity to learn Arabic the right way and in a short period: The 'Arabic for Health Professionals' course of GMU is delivered in two parts in the evening after work / class over 7 weeks by expert faculty who are native speakers.

The Beginners' level course can be taken by anyone who wishes to communicate in Arabic to deal with day to day activities. Course content includes but is not limited to: greeting people, making enquiries regarding services required, asking for directions to visit places of interest, and giving directions.

Level 2 comprises of the 'Arabic for Special Purposes' course. Course content includes:

Obtaining information about patient complaints and their need for health services; giving information and obtaining patient consent for medical examinations and interventions; identifying main body parts and referring to body; organs, explaining the need for investigations and procedures; explaining diagnostic findings, giving information on prognosis and treatment outcomes; advising about drug dosage; and follow up visits.

What's more! On successful completion you will be awarded a completion certificate by the University.
